Street Window Facing Display

Outstandina visivility high brightness

With a great high brightness of 3,000 cd/m2, 521XH can makes perfect display performance under the sunlight, which is the ultimate display for outdoor visibility.

Industrial standard LCD Display

Developed for the street retail stores, be based on the industrial standard panel and powerful aluminium heat sink inside. Our display would works perfect even under sunlight directly.

Automatic Temperature Control

In the consideration of energy saving and heat sink, the window facing display product has the automatic temperature control system inside. Four Noiseless fans would be automatic turns on/off be based on the temperature.

Space Efficiency Slim Design

Super thin depth, our 521XH series just get 8.5 mm which leads to space efficiency in an in-window environment.

Industrial Grade

Designed for use in any applications this screen can run 24/7. There are no external buttons or controls to avoid tampering.

Network CMS Upgrade

We also offer cloud basis network CMS if required,and you can run the third party Digital Signage software viaour Android PC board too.

Automatic Brightness Control

To let the passerby have a good visual experience no matter in daily time or evening, the display have a sensitive light sensor inside, brightness would be automatic control by the sunlight.

Auto brightness control

Integrated high sensitive sunlight sensor inside, it would change the brightness of the panel automatically.

| Sunlight Readable | 24/7Usage | Android Media Player | Plug and Play | Automatic Brightness Control | Fan-less design | Landscape or Portrait Orientation |

Product Advantages

Product Features

3000 cd/ m2 High Brightness

Out standing visible high brightness

Auto Brightness Control

Brightness would be auto adjust
via the ambient light

Industrial Standard LCD glass
Can resist 70 degree high temperature

Noiseless Design

Noiseless design makes the operation
noises less then 25dB at full load

Space Efficiency Design

Super slim body design, more slim then others

Build In CMS

Integrated Multiple CMS inside already!
